**CRISTALPLANT® design contest 2013**

# Announcement 2013

## Presentation

Cristalplant® Design Contest, at its fifth edition, is promoted by Cristalplant® in collaboration with Falper, famous Italian brand of design, with the aim of selecting innovative projects which adopt Cristalplant® as base material, inspired by the style of Falper. The contest is open to young designers born after 1st January 1973 who may present one or more projects under the categories:

. **PROJECT FOR BATHROOM AREA, CONTRACT SECTOR**, made up of a top with basin, of a shower and bathtub system, adjustable to residential or hotel use, with specific furnishing accessories that can be added or integrated.

. **PROJECT FOR OUTDOOR BATHROOM AREA, CONTRACT SECTOR**, made up of multifunction elements for outdoor use, such as basin and shower, positioned so as to define modular and innovative spaces, to be utilised at different times of the day. The areas must be adaptable both for residential and for hotel purposes.

Winning projects shall be chosen and awarded by a qualified jury, chosen by the promoters of the contest. The decision of the jury shall be final.

The prize-giving ceremony shall take place during the 52<sup>nd</sup> edition of Salone del Mobile in Milan, within Fuorisalone. Selected projects shall be presented to public and press during prize-giving which is to be held on 10<sup>th</sup> April 2013.

## Aim

Cristalplant® Design Contest, in collaboration with Falper, intends involving the most eclectic designers asking them to express their creativity using Cristalplant®, thus developing innovative and research-oriented items. All information about Cristalplant® technology are available at [www.cristalplant.it](http://www.cristalplant.it) under the section dedicated to Cristalplant® Design Contest.

## Participation

Participation is free of charge and open to designers of all nationalities born after 1<sup>st</sup> January 1973 after acceptance of the present regulation which includes the transfer of reproduction and publication rights of the submitted projects for promotional and advertising purposes of the contest and the companies involved. Designers may participate with more than one project.

The winners and honorable mentions of previous editions are excluded, being not entitled to participate as either single or in groups. Not selected projects shall not be published to enable designers to present and/or reuse it in a professional environment.

# Announcement 2013

## Prize

The jury shall select a winning project and a maximum of five special mentions for each category. The decision of the jury shall be final. The winning projects shall be included in the catalogue of the prestigious Falper company and the prototypes exposed at Fuorisalone. In compliance with Italian Presidential Decree n. 430, art. 6, par. 1, point A, dated 26<sup>th</sup> October 2001, the contest is announced exclusively for the presentation of industrial projects and is not intended as a prize contest. All expenses sustained for the creation of Cristalplant® prototypes and the industrialisation thereof shall be borne by Nicos International company, as recognition of the personal merit of the most brilliant participants.

## Dimensions and supports

Each project must be submitted in 3 separate renderings using .jpg format, 150 dpi resolution and dimensions of 210x297 mm (size A4), bearing the project title corresponding to those indicated on the registration form (refer to pages 3 and 4). Project renderings must be uploaded on the relevant area of the website [www.cristalplant.it](http://www.cristalplant.it) by 8<sup>th</sup> February 2013.

## Copyright

Intellectual property and copyright of the submitted projects remain with the individual designer. The projects should be the exclusive domain of the contest until April 9, 2013. Until that date is, therefore, obliged to competitors will be excluded from the competition, not to publish or disclose in any form projects. Any collaborations that may arise between designers and companies will be regulated promoters later and separately between the parties. The participants, by signing the application form for this competition, declare under responsibility of being the authors of the submitted projects, as well as the sole holders of the relevant copyright. Participants assume, therefore, all responsibility and liability for any disputes that may arise regarding the originality of the works and/or ownership of the above rights.

## Deadline

8<sup>th</sup> February 2013 at 11.59 p.m.

The presentation to the public and to the press will take place during the 52<sup>nd</sup> Salone del Mobile in Milan among the events of Fuorisalone. The two winners and other selected designers will be contacted at the beginning of April.
