

Invitations for the press tours  
imm cologne // LivingInteriors 2012

What do the 2011 furnishing trends look like?

After the imm cologne got the furniture year 2011 off to a dynamic start, the event is forging ahead with a strong wind at its back. The imm cologne, which will take place in Cologne from 16th to 22nd January 2012, is very much a talking point in the national and international interior design sector.

Together with the imm cologne, LivingInteriors will open its doors in Cologne for the first time next year. The new LivingInteriors event stands for holistic living and interior design concepts and will feature national and international exhibitors from the bathroom, flooring, wall and lighting sectors.

You can get an impression of the trends at
