

THINK  SIMPLE™

presenta

The logo for VITrum HOME CONTROL. The word "VITrum" is in a large, white, sans-serif font. Below it, "HOME CONTROL" is written in a smaller, white, sans-serif font. A blue arc is positioned above the word "VITrum", starting from the right side of the "m" and curving over the top of the word.

Design Tecnologia Sostenibilità

l'idea

ONE.

Trasformare il vecchio interruttore in un **artefatto di design** che arreda e fa **risparmiare energia**.

TWO.

Vestire tecnologia Wireless evoluta con **Vetro e Luce**.

VITRUM.

Creare una nuova generazione di prodotti per il controllo “intelligente” della casa, **compatibili** con tutti gli **impianti esistenti**.

THE GLASS REVOLUTION

tecnologia

VITRUM ha il Cuore Wireless

Installazione Semplificata

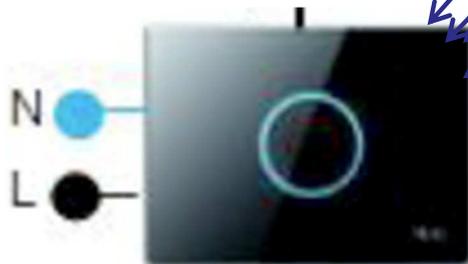

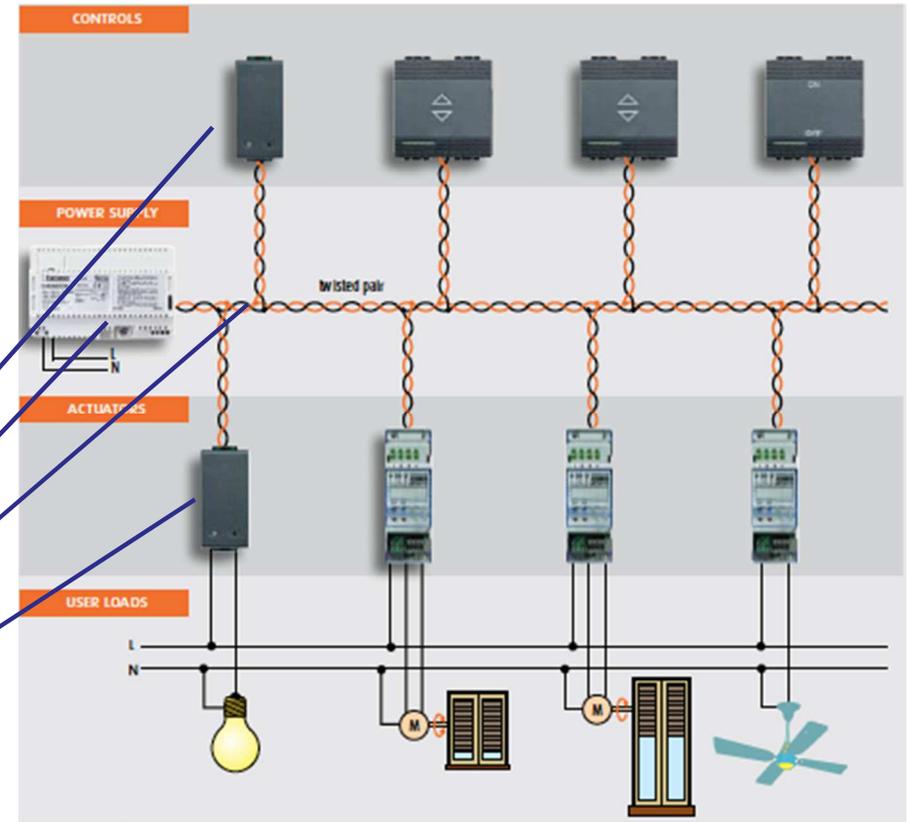

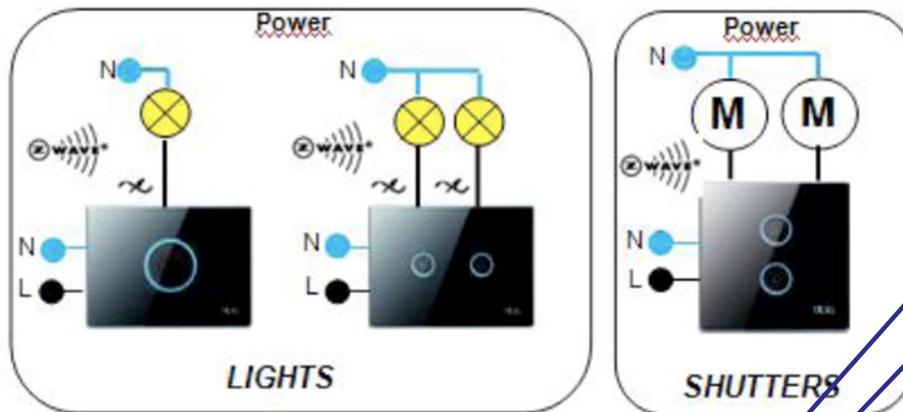

Tutto quello che serve per:
A. "includere" i Vitrum Wireless nella rete Wireless Domestica
B. creare Logiche Comando (Associazioni)

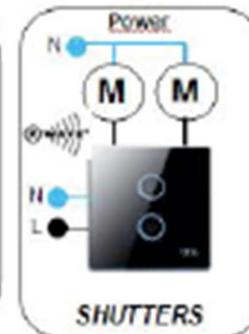

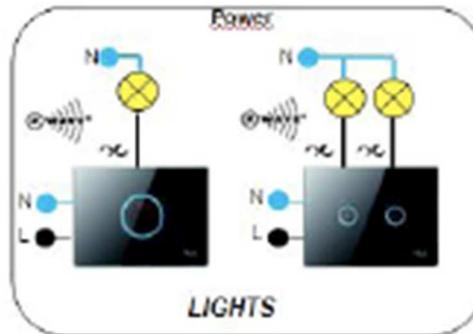

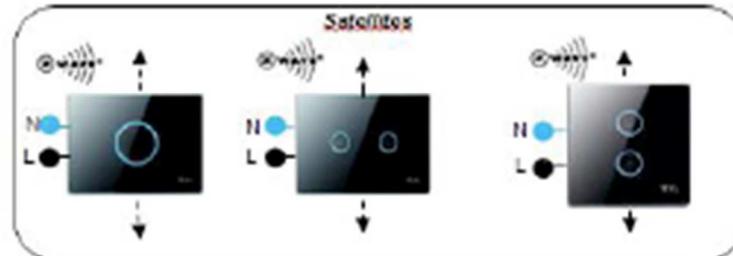

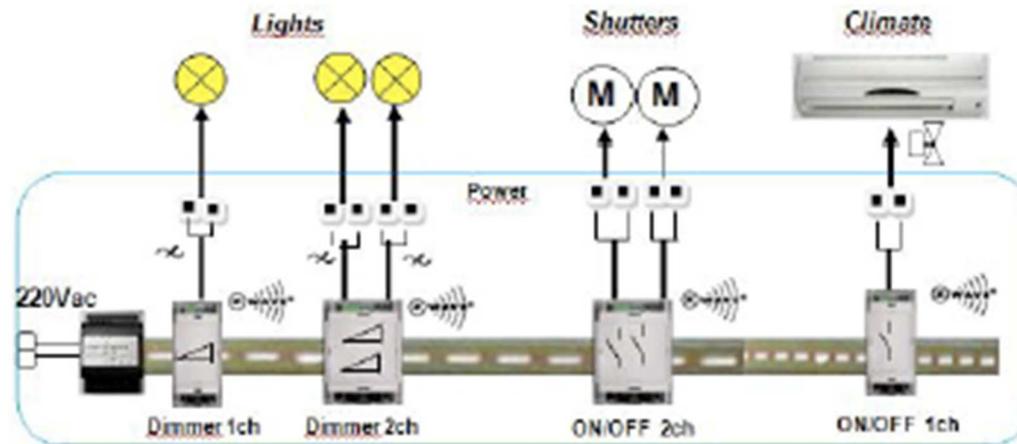

1. Installabile da qualsiasi bravo Elettricista
2. Creazione Indirizzi Rete Domestica AUTOMATICA
3. Configurazione Impianto senza Personal Computer o altre attrezzature speciali
4. Compatibilità con Impianti 220V esistenti
